The Seaside Heights Governing Body would like to congratulate all of you on a job well done with your recycling efforts. Keep up the good work, and let's keep improving. To help with our recycling effort, and to improve the appearance of our town, we will continue to sell the red recycling cans. These cans come with lids, and a hot stamped Borough imprint. These containers cost the Borough over $18.00, but the Borough will continue to make these available to you, below our cost, at $10.00 each. **All curb side pick up of recycling will be from these containers only.**

These brochures are only mailed to property owners. If you rent, please see that your tenants get the information. Additional copies of this brochure are available at Borough Hall.

Please remember in winter, during snow storms, to take your vehicles off borough streets to facilitate plowing.

GARBAGE vs. RECYCLABLES

Anything that can be recycled must be removed from regular garbage. The Borough will pick up some recyclables at curbside, however other items must be brought to the recycling center on your own and still other recyclable materials must be handled privately. The Borough will make every effort to keep you informed of the easiest and least expensive way to dispose of those recyclable items for which you are responsible. You can help save us all money by informing us of any items that you recycle on your own. It will be a tremendous help to the Borough and a great benefit to the community for residents and landlords to transport their own recyclables to the Recycling Center. Businesses, including motels, will not receive curbside pickup and must bring their recyclables to the center.

RECYCLING CENTER

Open Monday to Friday 7:00 a.m. to 11:30 a.m.
12:30 p.m. to 2:00 p.m.

Saturday & Sunday 7:00 a.m. to 12 noon

GARBAGE PICK-UP

Garbage pickup starts as early as 4:00 am. No garbage or recyclables can be placed at the curb before dark on the night before pickup. Please remove empty cans from the sidewalk as soon after pick-up as possible. All garbage must be put in sturdy cans no larger than 35 gallons.

REGULAR GARBAGE

Non-metal furniture, (on Wed) refrigerators, and air conditioners (on Tues.) will all be picked up, but there is a fee of $10.00 per item that must be paid at the borough hall first. You will then be given a sticker to place on the bulk item(s) to be picked up.

Please keep your property clean and do not allow garbage or furniture to accumulate around the property, or a summons will be issued.
