GARBAGE VS. RECYCLABLES

Anything that can be recycled must be removed from regular garbage. The Borough will pick up some recyclables at curbside, however other items must be brought to the recycling center on your own and still other recyclable materials must be handled privately. The Borough will make every effort to keep you informed of the easiest and least expensive way to dispose of those recyclable items for which you are responsible. You can help save us all money by informing us of any items that you recycle on your own. It will be a tremendous help to the Borough and a great benefit to the community for residents and landlords to transport their own recyclables to the Recycling Center. Businesses, including motels, will not receive curbside pickup and must bring their recyclables to the center.

RECYCLING CENTER

Open Monday to Friday 7:00 a.m. to 11:30 a.m.
12:30 p.m. to 2:00 p.m.

Saturday & Sunday 7:00 a.m. to 12 noon

Closed Sunday Labor Day - Memorial Day

GARBAGE PICK-UP

Garbage pickup starts as early as 4:00 am. No garbage or recyclables can be placed at the curb before dark on the night before pickup. Please remove empty cans from the sidewalk as soon after pick-up as possible. All garbage must be put in sturdy cans no larger than **35 gallons**.

REGULAR GARBAGE

The small amount of waste you still have left after proper recycling can be placed at curbside in sturdy, sanitary, re-useable containers. It is against the law to have any of the above-mentioned recyclables in your regular garbage, or to put your regular garbage out in cardboard boxes or paper bags. Non-metal furniture, (on Fri.) refrigerators, and air conditioners (on Tues.) will all be picked up, but there is a fee of \$10.00 per item that must be paid at the borough hall first. You will then be given a sticker to place on the bulk item(s) to be picked up.

Please keep your property clean and do not allow garbage or furniture to accumulate around the property, or a summons will be issued.
